### About "ITOWNY's One Act Play Festival"

ITOWNY's One Act Play Festivals began back in 2019. It was important to us to support WNY playwrights and give them the opportunity to showcase their works. Four years, multiple shows, and a pandemic later, here we are again, excited to share the work of seven

WNY playwrights! This time around, ITOWNY wanted to keep it light and fill the room with laughter. So, we hope you will laugh with us! Enjoy the show!

**There will be a brief 10-minute intermission. Concessions will be available in the back of the theater.**
